

Oskar Lessel

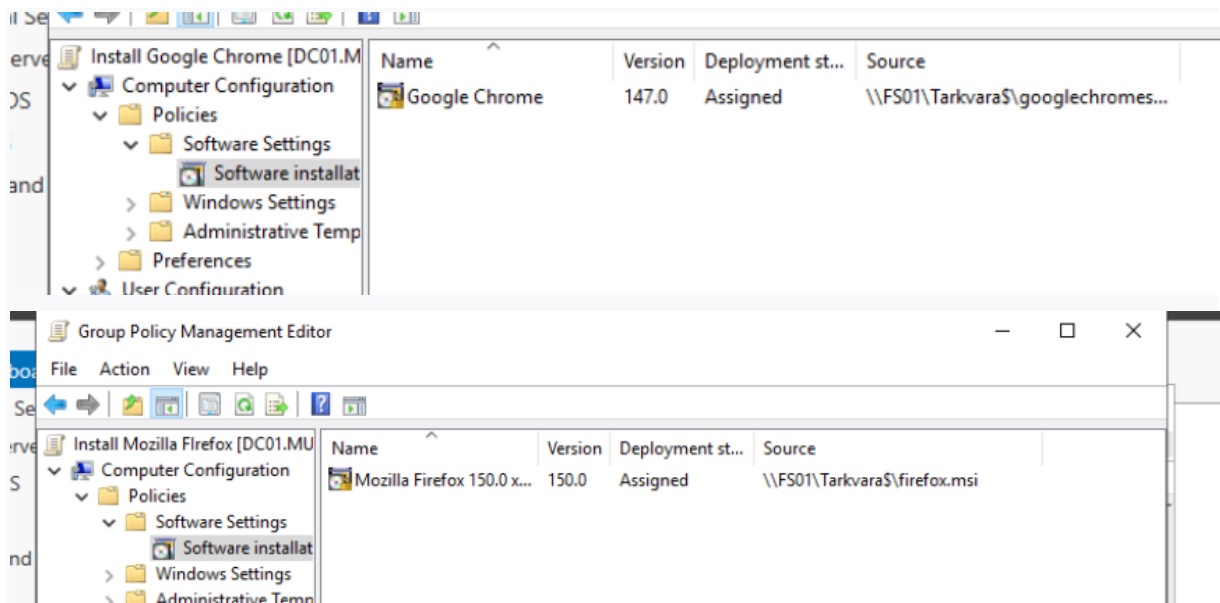

Praktikum 2.7: Grupipoliitikate haldamine

Küsimus 1: Tehke antud kausta sisust pilt

Küsimus 2: Kuidas paigaldasite antud tarkvarad? Milliste OU-de külge ühendasite poliitikad?

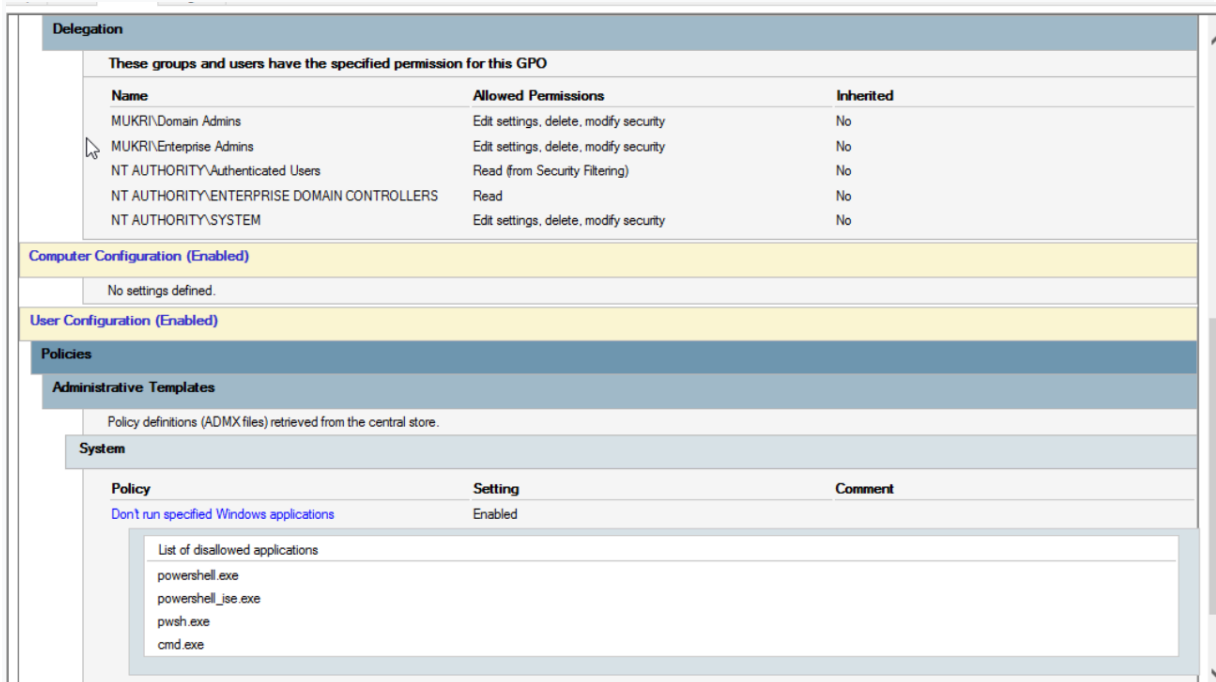

Tarkvarad paigaldasid Group Policy abil MSI-failidena. MSI paigaldusfailid asuvad FS01 serveris jagatud kaustas \\FS01\Tarkvara\$.

Google Chrome jaoks lõi grupipoliitika "Install Google Chrome" ja Mozilla Firefox jaoks lõi grupipoliitika "Install Mozilla Firefox".

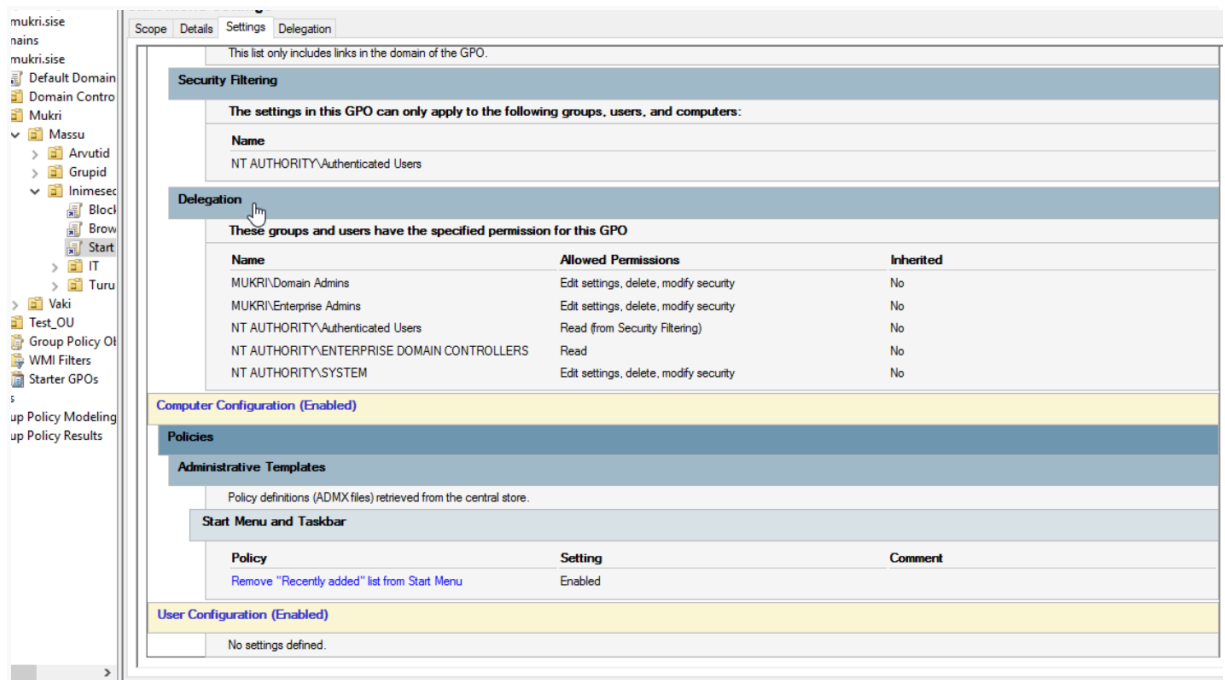

Küsimus 3: Mis vahe on ADMX ja ADML poliitikate failidel?

ADMX on poliitika sisu ja struktuur, ADML on selle poliitika keeleline kirjeldus.

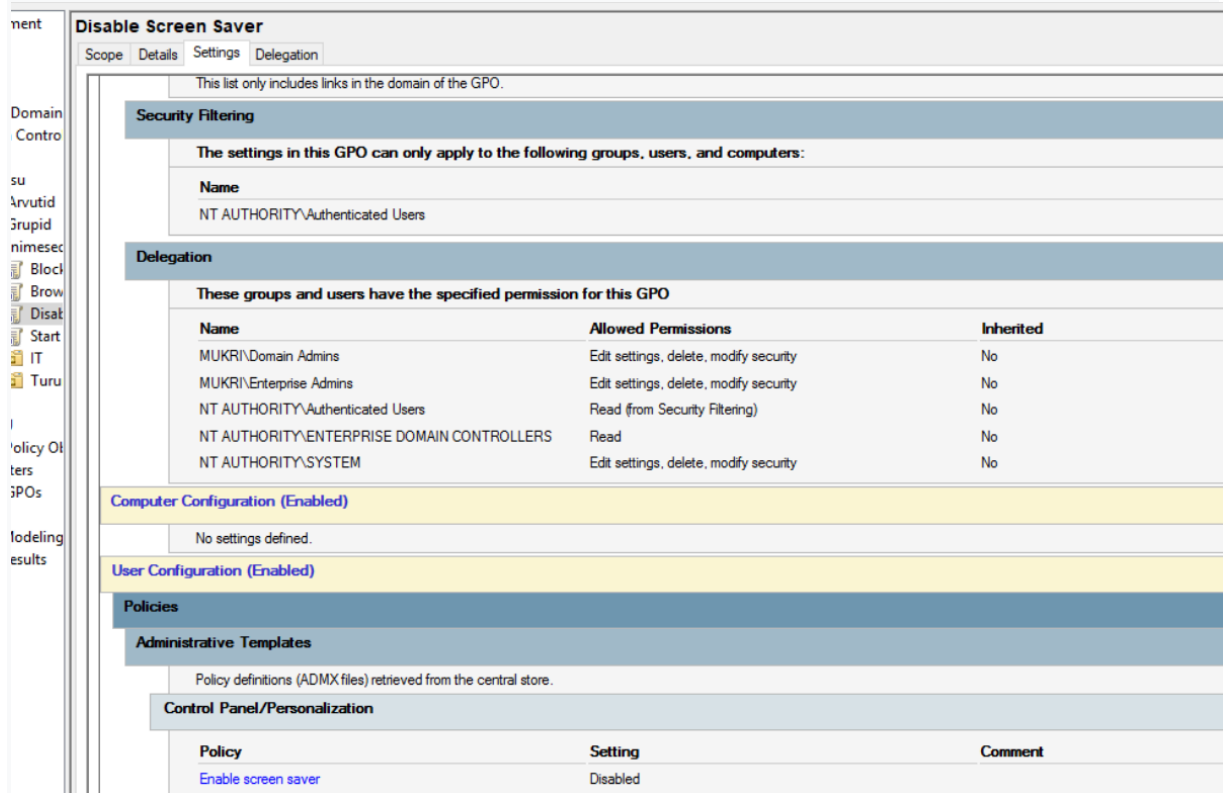

Küsimus 4: Tehke seadistatud poliitikatest pildid, kas kõik seadistused ka töötasid?
